MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: U.S. Army Garrison Humphreys Policy Letter #67, Environmental Quality Control Committee (EQCC)

1. Reference: Army Regulation 200-1, Environmental Protection and Enhancement, 13 December 2007.

2. This policy letter supersedes United States Army Garrison Humphreys Policy Letter #67, 1 August 2012.

3. The proponent for this policy is the Directorate of Public Works (DPW).

4. Applicability. This policy applies to all directorates, units, tenant activities, and other organizations within USAG Humphreys.

5. Purpose. The purpose of this policy is to establish a Garrison-level EQCC at USAG Humphreys. The EQCC assists the Garrison Commander (GC) to ensure proper management of environmental protection. The EQCC functions as an advisory body to the GC for all aspects of environmental compliance, pollution prevention, and natural and cultural resources.

6. Major functions of the EQCC are:

a. Assess the environmental programs and projects covered in USFK Reg 201-1, Environmental Governing Standards (EGS) and Army Regulations.

b. Coordinate activities of the environmental programs and projects with the affected installation elements.

c. Advise the GC on environmental priorities, policies, strategies, and programs.

7. EQCC members. The GC serves as the EQCC chairperson. The DPW, Environmental Division serves as the executive secretary. The organizations listed in attached enclosure will designate a representative to attend the EQCC:

8. General requirements.

a. The EQCC meetings will be conducted quarterly.
